

WEBSITE DEVELOPMENT COMPETITION

Jalandhar: A website development competition under “IT Club-2019 Contest” was conducted at Apeejay Institute of Management and Engineering Technical Campus, Jalandhar. The event was coordinated under the supervision of Rohit Verma and Daljeet Singh Matharu, assistant professors, school of information technology. Eight teams participated in the competition with full zeal and exhibited their technical skills. The team of Rishav Gupta and Sanjana of MCA V bagged the first position. The team of Charanjit Singh and Rashmi Jain of MCA V stood second in the competition. Dr Rajesh Bagga, director, Apeejay Institute of Management and Engineering Technical Campus, Jalandhar, distributed prizes to the winners and motivated them to show their talent by participating in such events in future also.
